

Humanizing the high-rise city: podiums, plazas, parks, pedestrian networks, and public art : Podiums, Plazas, Parks, Pedestrian Networks, and Public Art

[Al-Kodmany, Kheir](#)

The transformative power of urban design in shaping our experiences within high-rise cities takes center stage in *Humanizing the High-Rise City: Podiums, Plazas, Parks, Pedestrian Networks, and Public Art*. This captivating exploration delves into the art of turning towering skyscraper cities into vibrant havens that foster human connection, celebrate culture, and build communities. Unveiling the secrets behind the creation of urban spaces, from dynamic plazas that encourage social interaction to tranquil parks that infuse life into steel and glass, the book unfolds a narrative that resonates with the innate rhythms of humanity.
