Introduction	1
--------------	---

PART I

Foundations of economic development and low-income communities	11
---	-----------

1 Who cares? What are the realities facing low-income populations and communities in the US today?	13
2 Why bother? Who cares about the future of low-income communities?	44
3 What's the use? What can mainstream economic development contribute to low-income communities?	67

PART II

Five dynamic dimensions of economic development for low-income communities	99
---	-----------

4 Empower your residents: begin with basic education	101
5 Enhance your community: build on your existing assets	133

6	Encourage your entrepreneurs	191
7	Diversify your economy	213
8	Sustain your development
